What is the Cost:

The cost starts with a \$100.00 one time registration fee.

The cost per course is \$50.00 per credit hour (3 hours required and a minimum of 3 courses every 13 weeks) Which, after registration fees will be \$450.00 every 13 weeks. (monthly payments can be arranged for distance students)

Other Cost: You will be responsible for mailing your test and term papers. At the end of your degree there will be a charge for graduation fees which at this time is \$100.00

I am a Pastor / Minister, and I want to plant a school in my church, what do I do?

Do individuals need a degree to teach: You can start a school with as little as six students... You do not need a degree to teach the curriculum at the under graduate level... if the teacher does not have a degree they can work themselves to a degree. There is a faster track offered for Pastors / Teachers, I can discuss this with you.

How do I pay for my school?

Money orders are the best choice at this time and they would be made out to "Compassion Ministries."

Pastors / Teachers this is an opportunity for you to offer a school through your ministry by partnering with us. You will not only be educating the body of Christ, you will also be able to make unlimited profit from your efforts.

For instance – if you had 20 students your ministry would gross \$3,600.00 every 13 weeks or \$10,800.00 per year while the other 60% will go back to World Missions for the planting of Bible Schools in 2nd and 3rd world nations.
